

Keeping Up with KUBRA Notifi®

Today's organizations need to reach a large number of customers, across multiple channels, in a short amount of time.

KUBRA Notifi Alerts and Preference Management helps companies text, email, and call their customers whenever they need to connect—which is a lot! Just look at how often our clients use Notifi.

Notifi sends:

▶ **638,000**
interactions per day

▶ **19,140,000**
interactions per month

▶ **232,000,000**
interactions per year

And...

26,000
voice messages
per day

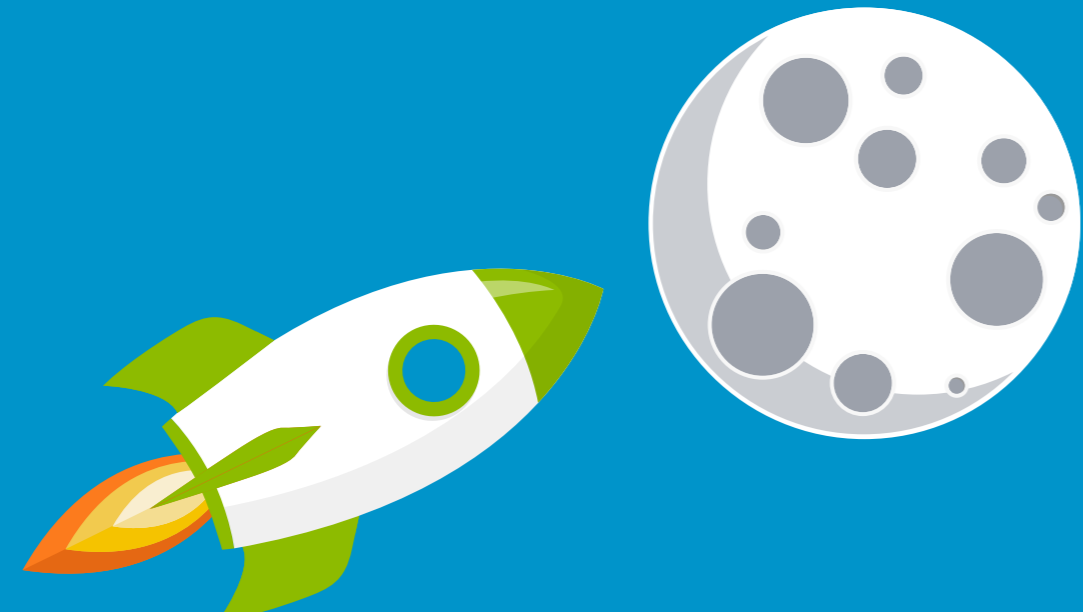

12,000,000
emails
per month

112,000,000
text messages
per year

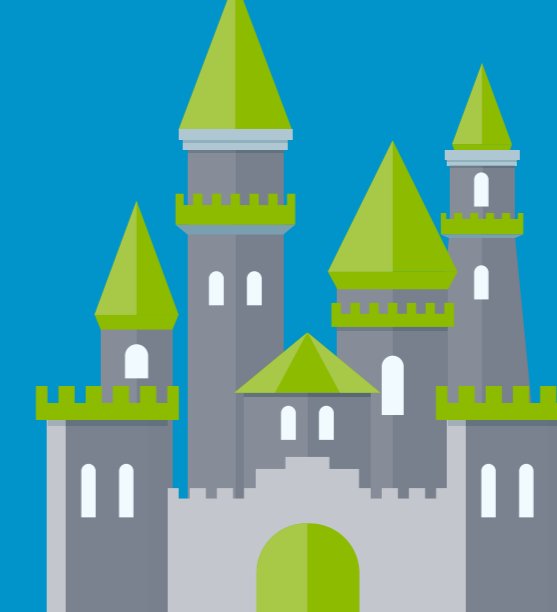

In other words, Notifi sends more customer interactions...

in a day than...

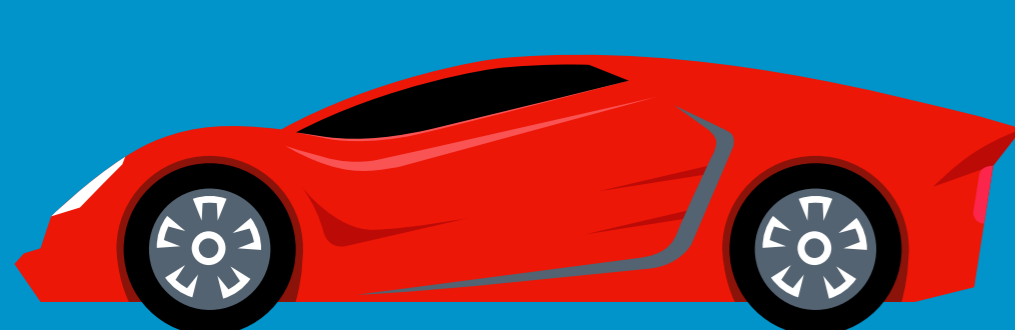

- The population of Wyoming.
- The number of miles to and from the moon.

in a year than...

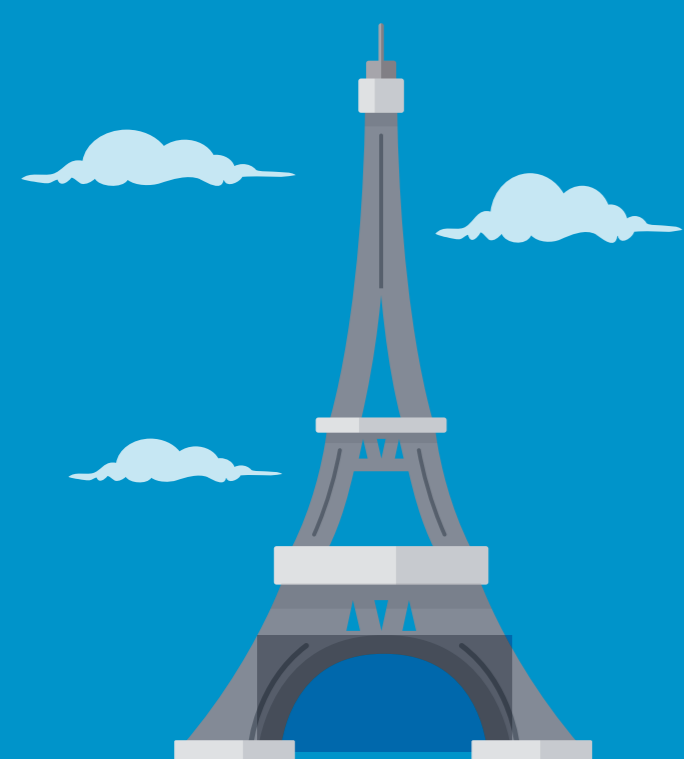

- People visit Disney World®.
- Babies are born in the US.

KUBRA clients send more...

Voice messages every day than...

- Lamborghini® sells cars in a year.
- Netflix® has available movies and TV shows.

Emails every month than...

- The App Store® has apps available for download.
- People visit the Eiffel Tower in a year.

Text messages every year than...

- iTunes® has songs available.
- Major League Baseball® stadiums sell hot dogs.
